RE: Lakes Apartment

File No.:

Dear:

Please know we have received plaintiff's Supplemental Responses to Interrogatories and Requests for Production. This information contains the following:

(1) Tyler Durden's criminal record.

This record shows a Tyler Durden, DOB October 25, 1980, residing at 2112 Green Briar, Dallas, as being charged for aggravated assault/domestic assault on March 4, 2018, which appears to have been dismissed for lack of prosecution, and another domestic assault on March 25, 2009. What is not shown here is a charge for the assault of Ms. Scott.

In my review of the Tarrant County criminal records, I do not find these reports or this person, so I am unsure of the current status.

MPD Incident Report, 2302012221ME.

This is the incident report arising from the "assault" of Ms. Scott occurring on February 23, 2023, which is the subject of this lawsuit. There is a suspect named, Tyler Durden, with the same address. There is no narrative but both Ms. Smith and I have reached out individually to the police department to get more information.

Medical records from Wickham.

We have medical bills from Wickham totaling \$34,223.02 for her treatment for the above dates. These are in addition to the prior medical bills of \$43,286.02, but the question of whether or not they are related is uncertain.

Very Truly Yours,

Jones and Jones, PLLC
